

Henninger Helpful Hint

Either of these charts would do the job...but which has more visual impact?

The shape of pie

When you're running a pie chart as part of a package, consider giving it more impact with a bit of a different look.

much more impact. Exploding the chart, giving it some depth and slanting it a bit creates a look that will catch the eye.

The two charts above contain exactly the same values, but the one on the right has

These are Excel charts. Most spreadsheet applications offer the same options.

'101 HENNINGER HELPFUL HINTS

is filled with so many good ideas. You'll find yourself asking: "Why didn't I think of that?"
