Living Here

YUMMY! Peach Melba is a cool summer treat that you can prepare in little time. Next week

At least it's worth a try

TASTE

Once you've tried it—especially with tasty accompaniments like Swiss cheese or Bearnaise sauce—you'll never forget…

THE ASPARAGUS EXSPEARIENCE

Asparagus three surprise

They're getting ready for that big final test

It's just a page

It may be far and away the best page you've ever designed. Every thing fell into place as you designed it. The art, the type, the structure and the spacing all blended into a fer-sure contest entry.

Or…you may consider it a dismal failure. Nothing worked. It's gray. It's ugly.

Here's a humbling thought: Readers are busy folk and odds are they just won't have much time to spend with your masterpiece (or failure).

To them, it's just a page.

Deal with it.
